Hi Phillip, Charmaine and Hafizah

I just wanted to say thank you so much for all your wonderful work in taking us through the involved process of employing Marno in our farming business.

We had no idea what we were doing and to get a business sponsorship, working visa and travel exemption all approved so quickly during these Covid times is a real testament to the professionalism and care you and your staff bring to the job.

We are so pleased to get a positive result and look forward to the benefits Marno will bring to our business in the years ahead.

Many thanks
