To whom it may concern,

The Rocks farming Company is one of the largest producers of Sugar Cane in Australia and I have personally dealt with Phillip Silver and Associates for a number of years now regarding sourcing and immigration of Qualified employees from Africa and Europe for our farming operation. They have been professional and proven to have the expertise to deal with the many varied and sometimes difficult situations that arise during the processes.

I would recommend Phillip Silver & Associates without hesitation to any Rural Business wishing to seek and or employ foreign qualified employees.
